

Annexure 1:

Guidelines- 'Mission Parivar Vikas'

District Covered:

State wise number of districts segregated based on TFR

	UP	Bihar	MP	Rajasthan	Jharkhand	Chhattisgarh	Assam	Total
TFR: > = 4.0	11	8	2	2	0	0	0	23
TFR: 3.5-3.9	19	9	6	6	3	1	1	46
TFR: 3.0-3.5	27	20	17	6	6	1	1	77
Total	57	37	25	14	9	2	2	146

(List of districts covered is placed at Annexure 1.1 below)

Monitoring Structure:

The details are placed at Annexure 1.2

Background:

Key Strategic Actions:

1. Delivering assured services:

- Roll out of Injectable Contraceptive DMPA (Antara) at one go till Sub centre level
- Augmentation of PPIUCD Services to all delivery points
- Augmentation of Sterilization services through HFD compensation scheme
- Condom Boxes at strategic locations (like Health Facilities, Gram Panchayat Bhavan etc)
- Social Marketing of condoms and pills: Social Marketers under the government's scheme
- 'Mission Parivar Vikas' Campaigns: (4 per year)

2. Promotional Schemes:

- "NAYI PAHEL" – an FP KIT for "Newly Weds"
- Saas Bahu Sammelan
- SAARTHI - Awareness on Wheels
- Local Radio Spots with messages from local actors.

3. Ensuring commodity security:

- A management information system to be operationalized to track the supplies and consumption to different facilities,
- A designated FP logistic manager would be placed in all the 7 HFS

4. Capacity Building/ HRD for enhanced service delivery:

These districts have **severe crunch of trained providers** and the high demand generated would be satisfied with improved service provision

- Approx.47,600 providers (MOs and Nurses) would be trained for Injectables (Antara Program)
- Approx. 9500 providers would be trained for PPIUCD/ IUCD (30% MO /70% Nurse)

5. Creating Enabling Environment:

Advocacy and Inter-sectoral Convergence to reduce TFR for a healthy mother and child:

- a. **National Level:** Meeting under HFM with CMs, State HFMs and PS (HFW) of 7 states.
- b. **State level:** Meeting under CM with State HFMs, local MPs/MLAs, PS (HFW) with DMs/ Collectors and CMOs of HFDs and stake holders.
- c. **District level:** Meeting under DM with CMO and BMOs/ BDOs, and line functionaries.
- d. **Block level:** meeting under BMO/ BDO with all MOs, Nurses, and Sarpanch & Patwaris, Nehru Yuvak Kendra volunteers and National Service Scheme volunteers)

STRATEGIC ACTION 1: DELIVERING ASSURED SERVICES

a) Roll out of Injectable Contraceptive MPA (Antara Program) at one go till Sub centre level

Date of onset of this activity: 10th Nov 2016.

The incentive scheme for ASHA and beneficiary to be notified from 1st Apr 2017

Coverage: The scheme will be applicable for all 145 High fertility districts (both rural and urban areas) as mentioned in Annexure 1.1. In urban areas the incentive scheme will be applicable for Link workers or equivalent working in these areas.

Key Activities:

In 145 HFDs Injectable contraceptive (under Antara Program) and Centchroman (Chhaya) will be rolled out upto Subcenter level.

Following sets of activity are proposed for HFDs (High TFR districts):

- 1) Identification and training of doctors and Staff Nurses, ANM.
- 2) Onsite and whole site orientation of staff on new contraceptives.
- 3) Commodity supply to these facilities with trained staff.
- 4) IEC and BCC activity by district IEC cell and ASHAs after orientation.
- 5) Service Provision for new contraceptive choices.
- 6) Post Training Follow up

Financial Package:

- **Incentivizing ASHAs @ Rs. 100/dose/ASHA.**
- **Incentivizing beneficiary @ Rs. 100/ dose received.**

Fund Flow:

The funds for the scheme would be sourced from NHM flexipool and routed through State PIPs. For 2016-17 the training budget to be utilized from approved NHM flexipool. The additional requirement if any under this component may be proposed in the supplementary PIP.

The budget for incentive to be proposed from 2017-18 NHM PIP onwards.

All the payments to be made through DBT in lines with letter DO No. Y11013/1/2016-FP dated 29th Jan, 2016

b) Augmentation of PPIUCD Services to all delivery points

Key Activities:

- Following sets of activity are proposed for HFDs (High Fertility districts):
- All delivery points to be mandatorily saturated for provision of PPIUCD services.
- In this regards district to identify and further train and empanel doctors, staff Nurses and ANMs for provision of PPIUCD services.
- Availability of PPIUCD and IUCD service delivery and follow up register (DO.- N.11012/10/2013-FP, Dated 12th Aug 2013) in all facilities providing services.
- Quality protocols to be followed as per GoI guidelines.
- **Extension of PPIUCD incentive scheme to include incentive for beneficiaries**

Guidelines for Extended PPIUCD incentive Scheme

Date of Notification: 10th Nov 2016

Coverage: The scheme will be applicable for all 145 High fertility districts (both rural and urban areas) as mentioned in Annexure 1.1.

Financial Package:

- a) Package for service provider per insertion and ASHA per client- Rs. 150 (DO. Letter No. Y.11012/01/2013-FP, dated 27th Dec 2013)
- b) Rs. 300 may be paid to the acceptors of PPIUCD to cover their incidental cost and the travel cost for two follow up visits

Fund Flow:

The funds for the scheme would be sourced from NHM flexipool and routed through State PIPs. For 2016-17 state may utilize the budget under A.3.2.3 for beneficiary incentive. The additional requirement if any under this component may be proposed in the supplementary PIP.

All the payments to be made through DBT in lines with letter DO No. Y11013/1/2016-FP dated 29th Jan, 2016

Rest of the guidelines remains same as per the DO. Letter No. Y.11012/01/2013-FP, dated 27th Dec 2013

c) Augmentation of Sterilization services through HFD compensation scheme

The new compensation scheme will be called as **HFD Compensation Scheme**.

Date of Notification: 10th Nov 2016

Coverage: The scheme will be applicable for all 145 High fertility districts (both rural and urban areas) as mentioned in Annexure 1.1. In urban areas the incentive scheme will be applicable for Link workers or equivalent working these urban areas.

Financial Package:

The financial package is as follows:

A. Public (Government) Facilities: (all amounts in Rupees)

	Tubectomy (Interval and Post Abortion)		Post-Partum Sterilization		Vasectomy	
	Existing	New	Existing	New	Existing	New
Acceptor	1400	2000	2200	3000	2000	3000
Motivator	200	300	300	400	300	400
Drugs/Dressing/IP Supplies	100	100	100	100	50	50
Surgeon's Compensation	150	200	250	325	250	400
Anaesthetist	50	50	50	75	-	-
Nurse	30	40	50	50	30	40
OT Technician	30	40	50	50	30	40
Clerks/documentation	20	30	-	-	20	30
Refreshment	10	20	-	-	10	20
Miscellaneous	10	20	-	-	10	20
Total	2000	2800	3000	4000	2700	4000

B. Accredited Private/NGO Facilities: (all amounts in Rupees)

	Tubectomy (Interval and Post Abortion)		PPS (Post-partum Sterilization)		Vasectomy	
	Existing	New	Existing	New	Existing	New
Facility	2000	2500	2000	3000	2000	2500
Client	1000	1000	1000	1000	1000	1000
Total	3000	3500	3000	4000	3000	3500

Fund Flow:

The funds for the scheme would be sourced from NHM flexipool and routed through State PIPs. For 2016-17 the funds for increased compensation package could be utilized from the existing sterilization compensation head under A.3. The additional requirement if any under this component may be proposed in the supplementary PIP.

All the payments to be made through DBT in lines with letter DO No. Y11013/1/2016-FP dated 29th Jan, 2016

Rest of the guidelines remains same as per the DO. Letter No. Y.11026/11/2014-FP, dated 20th Oct 2014

d) Condom Boxes at strategic locations in Health Facilities

Date of onset of this activity: 10th Nov 2016

Coverage: The scheme will be applicable for all 145 High fertility districts (both rural and urban areas) as mentioned in Annexure 1.1.

Key Activities:

- Meeting of the district/block authorities/ health volunteers/local leaders to identify places for placing condoms boxes.
- Introducing Condom Boxes at strategic locations. Number of condom boxes may vary from facility to facility based on the strategic locations in the facility, demand and eligible couple catered by the facility.
- Condom boxes should be made from the available resources.
- Each condom box in the facility to be mandatorily tagged and should be given a unique number (For eg: Condom Box-1; Condom Box-2 etc.)
- **Replenishment System:** Each condom box to be replenished at least monthly or as soon as warranted based on the consumption. **Condom boxes should be replenished by ‘free supply’.**

Monitoring Mechanism:

- Each facility to maintain a separate register for condom box replenishment and consumption. The suggestive format is as mentioned below:

Facility Name:

Month:

	Condom Box-1	Condom Box-2	Condom Box-3
Balance from previous month (in pieces)			
Date of Refilling			
Amount Refilled (in pieces)			
Date of Refilling			
Amount Refilled (in pieces)			
Total Amount Refilled (in pieces) in month			
Balance Quantity left (in pieces) at the end of month			
Total amount consumed/distributed (in pieces) in the month			

Flow of Reporting:

Facility will report to the concerned block which will in-turn report to the concerned districts in the format below:

	Monthly Status
Total Amount Refilled (in pieces) in month	
Balance Quantity left (in pieces) at the end of month	
Total amount consumed/distributed (in pieces) in the month	

The above figures shall be included entered in the HMIS.

e) Social Marketing of condoms and pills: Social Marketers under the government's scheme

As per the existing structure

f) 'Mission Parivar Vikas' Campaigns: (4 per year)

HFD districts may organize **Mission Parivar Vikas Campaign** in **April, July, October and January** (11th to 25th of the designated months). In July and October the activity will be clubbed with WPD and Vasectomy Fortnight.

For April and January the activity is proposed to be divided into- 7 days- preparatory work and client mobilization activities; 7 days- service delivery.

Date of onset of this activity: 10th Nov 2016

Coverage: The scheme will be applicable for all 145 High fertility districts (both rural and urban areas) as mentioned in Annexure 1.1. In urban areas the incentive may be given to Link workers or equivalent working in urban areas.

Key Activity:

State and District Level activities

- State level meeting- At least one meeting before commencement of the fortnight and subsequent meeting following completion of each round to review service delivery data, monitoring feedback and any other issues and plan for the next round.
District Level Meeting-at least one meeting within two days of State meeting to review progress in planning and implementation
- State to provide technical guidance, including funding and operational guidelines, and fix timelines for districts to plan and implement service delivery rounds which will further guide blocks.
- Ensure involvement of other relevant departments including ICDS, PRI and key Family Planning partners, RMNCH+A lead partners and other organizations at state and district levels. Civil society organizations (CSOs), including professional bodies such as Indian Medical Association (IMA) and FOGSI may be involved.
- Ensure identification of nodal officer for urban areas in each district. He/she will facilitate micro-planning in urban areas of the district.
- State to ensure adequate number of IEC materials (as per prototypes) and updated planning and reporting formats are printed and disseminated to districts in time. Ensure that these materials are printed in local languages if necessary.
- Deploy senior state-level health officials to high TFR districts for monitoring and ensuring accountability framework.
- State to track districts for adherence to timelines, including micro-planning, indenting of FP logistics and review each round of Mission Parivar Vikas campaign and guide corrective actions.
- State/District to ensure availability of required Family Planning Commodities.

- District to track blocks and urban areas for adherence to timelines, including micro-planning, indenting of FP Commodities and logistics

Block level activities

- Orientation of frontline workers/ANMs/LHVs/health supervisors - to be conducted by Block Medical Officer. The participants would be Health workers (ANMs, LHVs, health supervisors etc.) and social mobilizers (ASHAs, AWWs and link workers)
- ASHAs to be oriented on eligible couple survey for estimation of beneficiaries and will be expected to conduct this survey in their assigned area, and if required, outside their area as well. Financial support will be provided for conducting this exercise @ Rs 150/ASHA/round.

Service Delivery during Parivar Vikas Abhiyan-

- Fixed day services for Family Planning to be organized in high delivery case load facilities with sufficient infrastructure.
- Extensive mobilization for FP services at least 5 days prior to the service delivery activity.
- Team of doctors may be from medical college, district hospitals, SDH, CHC, private facilities or NGO/Trust. In case the district does not have service providers the same can be mobilized from nearby districts
- FP provision providing all range of FP services.
- TA/DA to doctor per day for these service fortnight Rs. 1000/- (the amount is in addition to the compensation scheme)(subject to performance of minimum number of 10 cases/day/provider)
- In addition to above Sub centers to be activated for provision of IUCD services

Fund Flow:

The funds for the scheme would be sourced from NHM flexipool and routed through State PIPs. From 2017-18 onwards the funds may be proposed under A.3.

STRATEGIC ACTION 2: PROMOTIONAL SCHEMES:

a) “NAYI PAHEL” – an FP KIT for “Newly Weds”

A family planning kit would be given to the newly-wed couple by the ASHA.

Date of onset of this activity: 10th Nov 2016

Fund Flow:

The funds for the scheme would be sourced from NHM flexipool and routed through State PIPs. From 2017-18 onwards the funds may be proposed under A.3.

Coverage of Scheme: The scheme will be applicable for all 145 High fertility districts (only for rural areas) as mentioned in Annexure 1.1.

Key Activity:

- District to calculate tentative estimation of the Kits
- Printing of Information Leaflets & Forms
- Provision of contraceptives for the kit (from the ASHA supply)
- Orientation of ASHA on provision of Nayi Pahel kit
- The distribution of ASHA Nayi Paehl kits can be at the CHC/Block PHC/PHC or SC level. In initial phases ASHA may be given 2 kits/ASHA. Later the disbursement can be on demand basis.

Financial Package:

- **Permissible cost per kit:** Rs. 220/Nayi Pahel kit
- **ASHA Incentive:** ASHA will be incentivized @ Rs. 100/ASHA/Nayi Pahel kit distributed.

Proposed Content:

“Nayi Pahel Kit for Newlyweds” (proposed contents are as follows):

Item	Units	Remarks
Jute Bag	1	Attractive and usable Jute Bag (with MoHFW/FP logo on the inner flap)
Marriage Registration form	1	
Pamphlet	1	Information on use of family planning methods to delay birth of 1st child and maintain spacing between children, use of Pregnancy testing kit, what to do,/ whom to reach once pregnancy is confirmed, ASHA schemes like Home Delivery of Contraceptives.
Pack of 3 condoms(Nirodh)	2	
Oral Contraceptive pills (Mala N) cycles	2	
Emergency contraceptive pill (E pill)	3	
Grooming/hygiene bag	1	A small vanity pouch comprising of a towel set, comb, nail cutter, a pack of bindis, a set of two handkerchiefs, and a small vanity mirror.
Pregnancy testing kit	2	
Information card		A blank card to be filled with contact information of the respective ASHA and nearest ANM who can be contacted by the newly wed to seek further information on contraception.

Note- The states have the flexibility to add or remove items as per existing and prevalent social norms provided the cost of the Nayi Pahel kit does not exceed INR 220/-.

Monitoring and data reporting mechanism:

- The ASHA will maintain the record of Nayi Pahal kits received and distributed (beneficiary wise) in ASHA diary and submit it to ANM of Subcenter.
- At facility level (CHC/Block PHC/PHC or SC level), where the Nayi Pahal kits are being disbursed to ASHA, the record of kits disbursement to ASHA should be maintained as per the format below:

SNo.	Name of ASHA	Name of Sub-center	Mobile number of ASHA	Number of Nayi Pahal Kits disbursed to ASHA	Date of disbursement

- The ANM to submit monthly report of the same to block in format 1.
- The blocks to collate the monthly reports and submit it to district in format 2.
- The district to prepare monthly report in format 3 for onward submission to state.
- State will further submit the quarterly MPV report to GoI in format 4.
- The Block in-charge/block community mobilizer/block manager will validate 5% distribution data in their catchment area every quarter. This data should be submitted to district. The district should regularly validate the block data.

b) Saas Bahu Sammelan

Saas Bahu Sammelan is aimed to facilitate improved communication between mothers-in-law and daughters-in-law through interactive games and exercises and building on their experiences it can be scaled up for other states so as to bring about changes in their attitudes and beliefs about reproductive and sexual health.

Date of onset of this activity: 10th Nov 2016

Fund Flow:

The funds for the scheme would be sourced from NHM flexipool and routed through State PIPs. From 2017-18 onwards the funds may be proposed under A.3.

Coverage of Scheme: The scheme will be applicable for all 145 High fertility districts (only for rural areas) as mentioned in Annexure 1.1.

Fund Flow:

- The funds for the scheme would be sourced from NHM flexipool and routed through State PIPs. The budget may be proposed in NHM state PIP from 2017-18 onwards.
- Districts to estimate the cost per sub center (Rs. 1500/sammellan) and release the same to Sub center.

- Subcenter ANM will further utilize this fund to organize the sammellan along with ASHA.
- The expenditure details will be maintained by ANM in subcenter, which should further be verified regularly by PHC/Block account officer in the same manner as the other NHM funds.
- The expenditure details should be regularly audited.

Financial Package:

SNo.	Activity Name	Cost @ 1 meeting
1.	Incentive to ASHA to mobilize Saas Bahu for the S sammelan	100
2.	Organization of S sammelan	500
3.	Token Gifts for Participants (Max. Rs 20/-participant)	1000 (as per actuals)
Total		1600

- **Cost per S sammelan:** Rs. 1600/meeting (Rs. 1500-for organizing sammellan and token gifts (maximum permissible limit); Rs. 100 for ASHA incentive)

Key Activity-

- ANM to develop a microplan for Saas Bahu S sammelan in each village in the format below:

SNo.	Name of the Village	Name of ASHA	Population of Village	Date/Day of S sammellan	Tentative number of participants

The above microplan should be updated regularly.

- ASHA to prepare list of eligible couples and mother in law in their area.
- ASHA, AWW to motivate Saas Bahu pairs to come for the event. A minimum of 10 Saas Bahu pairs should be present for the sammellan involving marginalized sections of the village.
- ANM to support ASHA and AWW for the same and be a part of these sammellan. This can be done on rotational basis so that all the villages/sammellans of her catchment area are covered in a year.
- Identify champion mothers in law who have provided support to her Bahus for using family planning methods
- Invite Gram Panchayat members/Community influential for the event.
- Plan the event with games, communication exercises and other activities
- Coverage of these S sammelans in district media.

Monitoring and data reporting mechanism:

- The ASHA will maintain the record of Sammellans conducted in ASHA diary. In this regards following information to be captured-
 - Date of sammellan
 - Timing of sammellan
 - Number of participants (Saas-bahu) attended sammellan
 - Key issues identified and discussed during sammellan
 - Name of any other official/PRI member attending the sammellan
- The ANM to submit monthly report of the same to block in format 1.
- The blocks to collate the monthly reports and submit it to district in format 2.
- The district to prepare monthly report in format 3 for onward submission to state.
- State will further submit the quarterly MPV report in format 4 to GoI.

c) SAARTHI - Awareness on Wheels

A smartly designed bus/van equipped with interactive communication devices, IEC material and FP commodities shall be operationalized in the HFDs during Mission parivar vikas fortnight (**April, July, October and January** (11th to 25th of the designated months)) to sensitize and disseminate FP messages in the far flung areas.

Date of onset of this activity: 10th Nov 2016

Fund Flow:

The funds for the scheme would be sourced from NHM flexipool and routed through State PIPs. From 2017-18 onwards the funds may be proposed under A.3.

- The expenditure details should be regularly audited.

Coverage of Scheme: The scheme will be applicable for all 145 High fertility districts (both for rural and urban areas) as mentioned in Annexure 1.1.

Financial Package: Estimated Cost per district= Rs. 12.23 lakh

SNo.	Activity		1 st MPV Fortnight	2 nd MPV Fortnight	3 rd MPV Fortnight	4 th MPV Fortnight
1	Hiring of the Bus/Van	Rs 5000/day	75000	75000	75000	75000
2	DA of the Counsellor/health educator	Rs 300/day	4500	4500	4500	4500
3	Printing of IEC Panels		100000	35000	35000	35000
4	Printing of IEC posters/handbills		50000	50000	50000	50000
5	State/District Launch		50000	50000	50000	50000
6	Advertisement		50000	50000	50000	50000
7	Miscellaneous		25000	25000	25000	25000
Total			354500	289500	289500	289500

MPV: Mission Parivar Vikas

Key Activity:

- District wise mapping of the route plan of ‘Saarathi’ vehicle.
- The ‘Saarathi’ vehicle should be equipped with interactive communication devices, IEC material and FP commodities and entire district should be covered through this bus during the span of 15 days.
- District should identify dedicated human resource for ‘Saarathi’ vehicle.
- Preparation of IEC panels for ‘Saarathi’ vehicle
- Procurement and printing of IEC material and estimating the FP commodity requirement for the entire activity
- Identifications of locations where ‘Saarathi’ vehicle will be stationed for display
- Signing Campaign by prominent persons in the district (Collector , MLA, MPs and other prominent district personalities)

Monitoring and Reporting:

- District to prepare a route map for the ‘Saarathi’ vehicle (covering all the blocks)
- The driver should maintain a log book in the prescribed format (State/district may add columns to the format for capturing more data as per their requirement)

Sno.	Date	Start Time	End Time	Start Place	End Place	Opening kilometer	Closing Kilometer	Name of areas and facility covered	Signature of counsellor/health educator (on duty in the bus)	Verification signature by the block/ facility authority

The log book will be validated by the district account officer before clearing the payments.

- Report to be submitted for ‘Saarathi’ vehicle -

SNo.	Activity	Status
1	Number of Pamphlets Distributed	
2	Number of clients visited	
3	Number of clients counselled	
4	Number of condom pieces distributed	
5	Number of OCP cycles distributed	
6	Number of Centchroman cycles distributed	

Responsibility:

- District wise mapping of the route where ‘Saarathi’ vehicle is scheduled to run- **District Health Department**
- Identification of dedicated human resource for ‘Saarathi’ vehicle - **District Health Dept.(Establishment /NHM Cell)**

- Preparation of IEC panels in local language for ‘Saarathi’ vehicle - **State FP division/State IEC division/District IEC Cell.**
- Procurement and printing of IEC material and estimating the FP commodity requirement for the entire activity- **State FP division/State IEC division.**
- Provision of FP Commodities- **FP Division, MoHFW & CMSS & SSM Division**
- Identifications of places where ‘Saarathi’ vehicle will be stationed for display- **District / Block Level Authorities**
- Van Monitoring & Data reporting Mechanism- **District Health Authorities/Block Health Authorities/District Health Authorities**

STRATEGIC ACTION 3: ENSURING COMMODITY SECURITY:

A management information system to be operationalized to track the supplies and consumption to different facilities,

A designated FP logistic manager should be placed at state level in all the 7 HFS

Fund Flow:

The funds for the scheme would be sourced from NHM flexipool and routed through State PIPs. The budget may be proposed in NHM state PIP from 2017-18 onwards.

STRATEGIC ACTION 4: CAPACITY BUILDING:

Fund Flow:

The funds for trainings for new contraceptives would be sourced from NHM flexipool and routed through State PIPs.

STRATEGIC ACTION 5: CREATING ENABLING ENVIRONMENT:

Advocacy and Inter-sectoral Convergence to reduce TFR for a healthy mother and child:

- **State level (at least 1):** Meeting under CM with State HFM, local MPs/MLAs, PS (HFW) with DMs/ Collectors and CMOs of HFDs and stake holders.
- **District level (Bi annually):** Meeting under DM with CMO and BMOs/ BDOs, and line functionaries and other stakeholders working in the district.
- **Block level (Quarterly):** meeting under BMO/ BDO with all MOs, Nurses, and Sarpanch & Patwaris, Nehru Yuvak Kendra volunteers and National Service Scheme volunteers)

Fund Flow: The funds for the scheme would be sourced from NHM flexipool and routed through State PIPs. The budget may be proposed in NHM state PIP from 2017-18 onwards.

Annexure 1.1
List of districts for 'Mission Parivar Vikas'

S.no.	Name of State	Name of District
1	Assam	Karimganj
2	Assam	Hailakandi
3	Bihar	Sheohar
4	Bihar	Kishanganj
